Simple Solutions to Stunning Creations.

Our entire team of experienced craftsmen and designers strive to create that perfect look for each and every situation ... large or small.

We are committed to providing professional excellence, the highest quality products, factory direct pricing and exceptional service. Quality builders and remodeling experts depend on us to do it right ... on-time, the first time.

The designers and craftsmen at BGS Glass Service work diligently to create the right solution for each situation. Our estimators are known for finding the most efficient solutions. Our dedicated installation crews and technicians have the experience to do it right. We are dedicated to craftsmanship, attention to detail and meeting deadlines.

The Glass Shower Door Specialists

BGS Glass Service has been the trusted source for economically priced shower doors, designer shower stalls, heavy glass enclosures, custom glass and mirrors for nearly two generations.

We do it all ... from design to fabrication to installation. You can choose from the latest glass options, technology, hardware and finishes. We also specialize in 3/8" heavy custom doors and enclosures. Our commitment to excellence, craftsmanship and attention to every detail is unmatched.

Window Replacements or Repairs, We Do It Right.

Many times, a window repair is all that is needed ... glass replacement, new hardware or mechanical adjustments. Why replace the entire window when it may not be necessary.

If replacement is required, BGS Glass Service offers a wide selection of single window replacements to entire window systems ... custom made for your home. We specialize in bays and bows, vinyl windows, wood and aluminum, casement, sliding, double hung... all with energy efficient glass to exceed your expectations and meet your budget.
